## How can we help you?

In this platform you can find and create new opportunities for research collaboration. Are you looking for ways to make your research project more interdisciplinary, international and/or societally relevant? The ENGAGE.EU community is there to take your research project to the next level!

### You can search for:

- collaboration opportunities >
- colleagues with similar interests >
- research themes >
- grant applications >
- events >
- inspiration and reports >

### You can create:

- a call for support >
- a collaboration group >
- a research theme >
- your own event >
- an inspiring article >
- your profile page >

This Project has received funding from the **European Union's Horizon 2020 research and innovation programme under grant agreement N°101035807.**

Co-funded by the **Erasmus+ Programme of the European Union**

**Université Toulouse Capitole**

**Research project officer**

**Discipline:**

- Culture studies
- Management and strategy
- Operations Management
