

Dear students,

Here is a step-by-step guide on how to access the eJourney platform.

1. First, click on the “Apply” button at the bottom of the ENGAGE.EU Summer School call.
2. You will be redirected to a page where you need to select your university (LUISS) to proceed.

3. Next, enter your credentials in the following format:
 - Username: nome.cognome
 - Password: the password you use for your **Luiss Outlook account***

*Please note: the password is the one used for **LuissWPA**, NOT for Luiss Web Self-service.

If these steps are not followed, you will not be able to access the platform. Once completed, you will be fully logged in and can start using the platform to apply for the mobility programme of your choice.

If you still encounter any technical issues, please send an email to engage.eu@luiss.it.
